## GROUND BREAKING

On Sunday, February 10, 1952, in a simple, eloquent ceremony, Father Joseph A. Donworth, assisted by officers and members of the Women's Guild, the Men's Club, and the Holy Name Society, in the presence of the men, women, and children of St. Stephen's Parish turned the first shovel of earth.

From the rugged terrain has blossomed a magnificent Parish Plant, comprising our Church in a liturgical concept of contemporary design and our school with every facility for highest educational standards.

The future harvest will be in the willing hands of our noble Priests and in the generous hearts of the parishioners.

“THE FUTURE  
HARVEST WILL BE IN  
THE WILLING HANDS  
OF OUR NOBLE  
PRIESTS AND IN THE  
GENEROUS HEARTS OF  
THE PARISHIONERS.”

Saint Stephen Church

The image shows the interior of a church with a high, vaulted ceiling and rows of wooden pews. A red carpet runs down the center aisle. At the front, there is an ornate altar with a crucifix. Stained glass windows are visible on the sides, and banners hang from the ceiling. A semi-transparent white box with a decorative bottom edge is overlaid on the left side of the image, containing a quote.

“LIKE THE  
STARS IN THE  
SKY, CERTAIN  
ASPECTS OF  
LIFE REMAIN  
CONSTANT.”
